

# Introducing Mastercard Cash Pick-Up

Now you can drive more transactions at your ATMs by enabling **Mastercard Cash Pick-Up**.

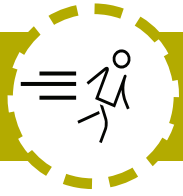

All it takes is a simple software update, no hardware is required. You can become a cash-out point for **ALL consumers**, even if they do not have a card. All the consumer needs is a mobile number, a transaction code, an access code, and the dollar amount to enter at the ATM.

## Consumer Features:

- Easy to complete a transaction
- No waiting for weeks or months to receive cash-based rewards or gift cards

**Secure**

**Fast**

**Convenient**

This software is supported by WinCE 6.0, application version V06.01.28 (released on 03/24/2017) and above.

## Benefits to ATM Operator:

- Provides a new revenue stream to ATM owners
- More transactions, more money
- Easy to install and activate
- No hardware required
- Make your ATM a destination for users
